C F OAKTON

EVOLVING SPACES

We know it's difficult to find unique goods in the marketplace. That's why **C F OAKTON** strives to offer fashion functional furniture.

Our designs reflect the **EVOLVING** trends in art, culture, society, technology, and politics

We seek to redefine the **SPACES** around us with innovations to improve everyday life

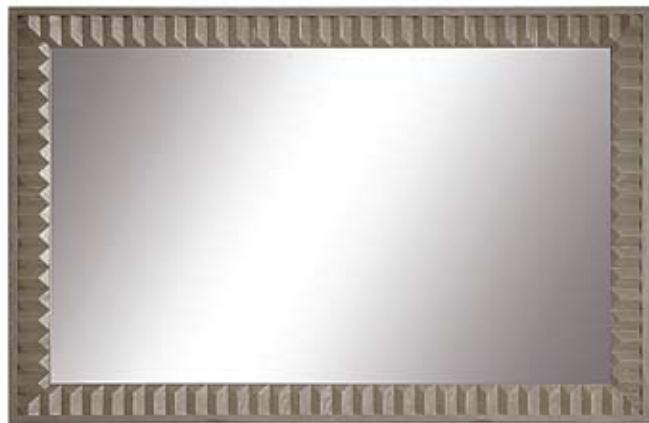

The enduring **QUALITY** of our products are tied to our origins as a manufacturer of high end contract custom casegoods for the hospitality industry.

Our **FACTORIES** are rooted in construction that is prepared to weather a storm of use.

We offer distinctive designs that are fashion forward

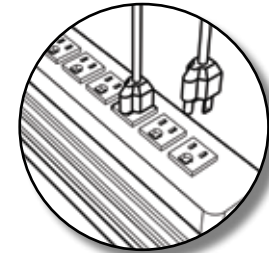

We manufacture with quality as a priority

Our design philosophy yields unique innovation

storage drawer with
organizing dividers

integrated component
power dock

sliding back panels for
easy access

A lot of our **PERSONALITY** goes into our product and continues to resonate through our business relationships.

Our **INNOVATION** in design extends into our service in which we aim to make product distribution simple.
